

Eastern Shore of Virginia Chamber of Commerce

MEMBERSHIP INVESTMENT SCHEDULE

The General Dues rate is based on the average annual number of employees with 2 part-time employees being equal to 1 full-time employee.

The local ESVA branch of a regional, national, or international business is considered the Primary Business with the number of employees based on that location. An Associate Membership is available to any additional individual of a business or multiple branches of a business that already belongs to the Chamber. A Start-Up Membership is less than 2 yrs. old and is applicable only for the calendar year in which the business joins.

All dues are based on a January 1 – December 31 Fiscal Year. Bills are due semi-annually January 1st and July 1st. Members may choose to pay the entire year in January.

New member dues are prorated after the 1st quarter with the balance of the year due at that time for the first year of membership. New members joining during the last quarter must pay the prorated amount for that year plus dues for the next year (option of 6 months or 1 year).

Each new membership application must be approved by the Board of Directors which meets the 2nd Thursday of each month. New members are notified immediately after that meeting of their status.
