Chamber Headquarters Celebrates

20th Birthday The Eastern Shore of Virginia Chamber of Commerce building at 19056 Parkway in Melfa turned 20 years old this June. It was in June of 1990 that building chairman Chuck Cooley and Chamber Board Chairman J. T. Holland cut the ceremonial ribbon and opened this beautiful building for business. C. Mark Medders was the Executive Director at the time, a position in which he ably served until late 1992. Just as a point of reference, here are several things you may remember about the year, 1990: *Driving Miss Daisy* won the Oscar for best picture; *LA Law* won the Emmy as best TV drama series; *Wind Beneath My Wings* by Bette Middler won the Grammy for song of the year and, last but not least, Dan Quayle was the Vice President of the United States.
